

English

This half term, we will be writing a diary entry on an adventure in the Ancient Egyptian pyramids. The children will look closely at using subordinating conjunctions and prepositions to improve their sentence structure.

We will then look at fact writing based on Tutankhamun. The children will carry out their own research and then organise their ideas into subheadings. They will look at effective fact files and the importance of the design.

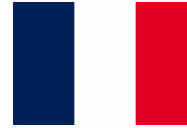

Master Reading

We will be reading *Coming to England* by Floella Benjamin. We will learn how to accurately answer comprehension questions including inference questions (using clues in the text to justify our answers) and we will explain the meaning of new vocabulary so we can confidently use it ourselves.

Please continue to read the Accelerated Reader books and do the quizzes. We will monitor this weekly. Library day is Friday.

French

This term the children will be moving on from numbers, colours and shape in French and be looking at French in the classroom. The children will learn names for common school items in French and follow instructions in French. They will also look at asking and answering questions in French.

Alder Grove

Church of England Primary School

Summer 1 - Year 3

PSHE - Relationships

- To know the roles and responsibilities within my family
- To reflect on being a good friend
- To understand how to be safe online
- To know how to be a global citizen and reflect on the lives of others

Maths:

Capacity

We will finish off our measurement unit and will focus on liquids and capacity. We will convert between litres and millilitres and read scales counting in 100s, 200s, 250s and 500s, where the numbers are not marked.

Fractions

The children will begin another unit of work on fractions. The children will consolidate their learning of numerators and denominators as well as recapping fractions on a number line.

We will add and subtract fractions, find fractions of a set of objects and begin to solve complex problems concerning fractions

Money

We will convert between pounds and pence, we will add and subtract money using the column method. We will know that 100p makes £1 and find change.

PE - PE days Tuesday and Wednesday

OAA (outdoor adventurous activities)

- Build on teamwork skills and cooperation
- Plan, explore, solve and reflect on problem solving
- To be able to draw and follow a map
- To complete orientation tasks

PE - Athletics (Outdoor)

- To develop jumping techniques
- To develop throwing techniques including distance in a pull throw
- To develop sprinting technique and running challenges based on distance and time

RE - Hinduism

We will explore Hinduism and learn about Brahman. The children will learn about the trimurti and the Gods and Goddesses. The children will begin to understand that Brahman is everywhere and in everything. We will look at different places of worship and differences between different families and religions.

Art

This half term, the children will learn about the importance of the papyrus plant to the ancient Egyptians. They will create their own papyrus paper using baking parchment and PVA glue.

They will then look at examples of hieroglyphics and will create their own messages using this writing style and record this on their papyrus paper.

Alder Grove

Church of England Primary School

Summer 1 - Year 3

Computing - Presentations

- Using PowerPoint the children will create a presentation using the laptop
- Create narrations and audio in power
- Understand how to use personal information safely and appropriately.

History - Ancient Egyptians

In History, the children are going to be learning all about the Ancient Egyptians.

They will begin by looking at when the Egyptian civilisation started in relation to the Stone Age period.

The children will study the importance of the River Nile and why the ancient civilisation settled around it.

We will explore hieroglyphics and the significance of it to the Egyptians. We will look at examples of hieroglyphics discovered and what they show us about life in this time.

We will look at Egyptian hierarchy and the significance of pharaohs and Gods. We will look at significant people during this period of time and the impact they had in Egypt.
