 - Your contact details
 - Your test results
 - Your attendance records
 - Your characteristics, like your ethnic background or any special educational needs
 - Any medical conditions you have
 - Details of any behaviour issues or exclusions

3. Why we use this data

- 3.1 We collect this data in accordance with requirements set out in certain laws/regulations including but not limited to: The Education Act 2005; Safeguarding Vulnerable Groups Act 2006 and the Keeping Children Safe in Education guidance. We use this data to help run the school, including to:
 - Get in touch with you and your parents when we need to
 - Check how you're doing in exams and work out whether you or your teachers need any extra help
 - Track how well the school as a whole is performing
 - Ensure you are appropriately safeguarded and look after your wellbeing.

4. Our legal basis for using this data.

- 4.1 We will only collect and use your information when the law allows us to. Most often, we will use your information where:
 - We need to comply with the law
 - We need to use it to carry out a task in the public interest (in order to provide you with an education)

- 4.2 Sometimes, we may also use your personal information where:
- You, or your parents/carers have given us permission to use it in a certain way
 - We need to protect your interests (or someone else's interest)
- 4.3 Where we have permission to use your data, you or your parents/carers may withdraw this at any time. We will make this clear when we ask for permission, and explain how to go about withdrawing consent.
- 4.4 For processing outside normal school activities (e.g., third-party apps, events, or AI tools), explicit consent from parents/carers (for pupils under 13) or the pupil (if 13+) is required. Consent can be withdrawn at any time.
- 4.5 Some of the reasons listed above for collecting and using your information overlap, and there may be several grounds which mean we can use your data.

5. Collecting this information

- 5.1 While in most cases you, or your parents/carers, must provide the personal information we need to collect, there are some occasions when you can choose whether or not to provide the data.

7.5 If artificial intelligence (AI) tools process pupil data (e.g., automated marking, chatbots, or analytics), we will conduct risk assessments and notify parents/pupils in advance.

8. Transferring data internationally

8.1 Where we transfer personal data outside the United Kingdom, we will ensure appropriate safeguards are in place, such as a UK adequacy regulation, the UK addendum to the EU standard contractual clauses, or another valid transfer mechanism under UK data protection law.

9. Your rights- How to access personal information we hold about you

9.1 You can find out if we hold any personal information about you, and how we use it, by making a 'subject access request', as long as we judge that you can properly understand your rights and what they mean.

- 12.1 We may use AI-driven tools (e.g., learning analytics, automated feedback) to support education. These tools will never replace human judgment in critical decisions.
