

## April 2020

Following National Offer Day, we are delighted that thirty offers were made for our first Reception class at Alder Grove. Once parents confirm acceptance of their offer to their local authority, all schools will be issued with a list of contact details for Reception classes 2020. Many of our families have also confirmed acceptance directly with Alder Grove and we know that a FaceBook group has already been set up for you to join.

Your child is going to have a very special part in the history of this school, as a member of the first cohort at Alder Grove. This group will play a key part in shaping the foundations on which we build our school. You as parents will play a role in the development of the school with opportunities to stand for election as a parent governors on the local governing body, to support the PTA as well as becoming ambassadors for the school and helping us live out the values we wish to put at the centre of all we do.

As we get closer to September, we are pleased to share an image of the Alder Grove uniform. The tie, teal coloured garments and book bags will be available to order from the school and the black trousers, skirts and shoes can be purchased from local stores. We continue with our recruitment schedule and look forward to introducing you to our newly appointed members of staff. In terms of transition, we will be in touch with you to confirm the induction timetable and processes. Nursery parents will have already received online registration forms and once we have the confirmed list from the local authority, Reception parents will be directed to the online registration process for school children.

Staff at Alder Grove will be using the website and our twitter account, @aldergrove3 to post updates so please follow us and check the website for our latest developments.

Until then, keep safe and look after yourselves.

Mr P Theobald

### **Admissions 2020**

You can still apply for places in the Nursery for September 2020. Please follow the link for more information: <https://www.aldergroveprimary.org/admissions>
