## Welcome

I would like to extend my warmest welcome to you, the families of our Nursery and Reception cohort of 2020-2021. We were delighted to see the confirmation of the children who will be joining us in September, we have reached another key milestone for the school's opening in September.

## Transition

We recognise the importance of implementing a successful transition for your child from their home or nursery environment to Alder Grove. This is a priority for us and you will be hearing more details over the Summer. We will keep up to date with all the latest Government procedures and whatever we do, the safety of the pupils, families and our staff will be at the heart of all of our decisions. Members of our team will continue to keep you updated.

This year, to secure a successful transition into Nursery, Mrs Fothergill and myself will contact you to arrange a meeting in which you will have the opportunity to share important information about your child. Please make sure you have completed your Nursery Registration Packs as this will form the basis of our discussions.

## Community

At Alder Grove we are committed to working in partnership with the community and supporting different groups and organisations in the local area. We would like to create a piece of artwork in the school which celebrates a sense of community. We would value your input and as a starting point we would ask you to complete a very simple survey. Please look out for further information regarding this.

I look forward to updating you with our on-going plans.

Regards

Mr P Theobald
