

## English

We will be continuing to follow Read Write Inc to support our phonics, reading, writing and speaking listening skills. Children will continue to bring home a Book Bag book, a book which they have been reading during phonics and a sharing book from the library. Please hear your child read 5 times per week and record this in their Reading Record.

As part of Talk through Stories, we will be exploring 'Elmer' by David McKee, 'Billy and the dragon' by Nadia Shireen and 'One Snowy Night' by Christina Butler

We will also be completing regular independent writing activities. These will be linked to first hand experiences in school or to foundation subjects such as History.

## Handwriting- Pre-cursive

We will be introducing pre-cursive handwriting. Pre-cursive handwriting is the transition between printing (un-joined) letters and joining all letters together. Our focus is to learn the pre-cursive formation for each letter.
